Rev. Whitmans Family Receives a Check for Ten Thousand Dollars—A Reception to Capt. Crumbly and Lieut. Green—Work of the Kindergarten—Social News Galore.

Atlanta, Ga., Special—Rev. L. B. Maxwell field worker of the International Sunday School is still very low at his home in Decatur, Ga. I am sorry to say that the doctors do not hold out any bright hopes. Dr. Maxwell is a sick man. Mr. Alexander Hamilton, Atlanta's leading contractor has been quite ill for the last eight or ten days. Dr. T. H. Slater has about brought him around. Prof. W. H. Hinton of the Y. M. C. A. left the city last week to join his family in Virginia. He will be gone for six weeks or more.

Messrs C. C. Carter, F. J. Wimberly, Capt. C. C. Wimbish, Dr. Moses Amos, W. C. Foster, Dr. T. H. Slater, D. J. Strickland, Capt. F. H. Crumbly, T. B. Kelly, A. Graves, Crawford McKee spent last Sunday in the Hill City, Rome, Ga., Prof. Dent's home. The occasion being an outing of the Hill City Outing Club of Rome, Georgia, tendered to these gentlemen by its officers, etc. E. W. Clarke, Dr. C. I. Cain, M. C. Parker. Mr. Fred. Savage, one of Memphis, Tenn. most prominent professional men spent a few days in the city last week. Mr. Savage is an old Atlanta boy having left here in 1866. He was at one time a member of the board of education of the city of Memphis. Major R. J. Henry tendered him and a few others a brilliant reception last Thursday night.

Prof. Isiah Graham, principle of one of the public schools of the city of Memphis, Tenn. is in the city spending the summer with his mother. Prof. Graham, too, is one of Atlanta's boys. He is under graduate of the Atlanta University. The soldier boys of the 48th and 49th U. S. Volunteers have returned home from Philippines all looking well. Last Friday night at the palatial home of Mrs. Lucy Glenn on Auburn avenue, a fine banquet was tendered Capt. F. H. Crumbly, Lieut. Green Marion of the U. S. volunteers. The managers were Hon. H. A. Rucker, Dr. Moses Amos of the Gate City Drug Store and Major S. W. Easley, Jr. I learn that the family of the late Rev. Dr. Whitman has received checks for his insurance which was \$10,000 instead of \$4,000 as stated by me some time ago in these columns. Dr. C. W. Newton of Big Bethel A. M. E. church and Dr. H. H. Proctor of the First Congregational church exchanged pulpits last Sunday morning. Mrs. Howard Pitts, her sister, Miss Georgine Harrison and others of our Atlanta ladies are to visit Buffalo during the month of September. They will also visit points of interest in the East before returning home. Mr. Edward Lee Simon of Memphis, Tenn. is visiting his parents in South Atlanta. Mr. Simons is a son of Postmaster E. L. Simon of South Atlanta.

Capt. F. H. Crumbly is very favorably spoken of as the successor of the late Hon. W. E. Terry, Grand Master of the Masonic fraternity. Rev. Dr. J. S. Flipper is also a candidate. Captain Crumbly served as Grand Secretary for a number of years before going into the U. S. Army. Mrs. C. C. Wimbish president of the Free Kindergarten Association desires that I should return her thanks to The Colored American, for through its columns the association has received donations from all parts of the country. The association has just

closed a four months successful term and has a balance. The receipts from all sources was \$303.53, the total expenses were \$297.31. The association has out a nice little pamphlet containing letters of commendations from Minister A. E. Buck, Postmaster Smyth, U. S. Marshal Johnson, U. S. Attorney Angier, Ex-Governor R. B. Bullock, Dean Adams and Dr. DuBois of Atlanta University, Col. W. A. Pledger and Prof. E. H. Webster. Mrs. Dr. Murray, wife of Prof. Murray of Gammon Theological Seminary raised \$45.00 for the association. Rev. Dr. J. D. Bibb of Dublin, Ga. spent a few days in the city this week visiting his family who are here for the benefit of the schools. The ladies of the kindergarten association are planning to have Mrs. Mary Church Terrell of Washington, D. C. to lecture here next fall for the benefit of the association. Mrs. Terrell's tour over the West last year and her timely and able defense of the women of the race in the Philadelphia Times were noted with interest by her many Atlanta friends.

THE PAN-AMERICAN NEWS.

(Continued from 1st page.)

the W. C. T. U., of America.

When the election of officers came there was another misunderstanding between the delegates in general. Mrs. B. K. Bruce and Mrs. B. T. Washington were prominent candidates for the Presidency of the Association. Thursday afternoon 11th inst., there was given a reception for the members of the Convention by the Phyllis Wheatley Club of Buffalo, and there was tendered on this same afternoon a reception by the Twentieth Century Club of Buffalo, which Club is composed of the wealthiest and most cultured white people of Buffalo to Booker T. Washington, Mrs. Washington, Mrs. B. K. Bruce, Mrs. Sprague and their hostess, Mrs. Talbert, were invited to attend the reception given by the Twentieth Century Club of Buffalo. These ladies had accepted the invitation of the Twentieth Century Club before the Phyllis Wheatley Club had issued their invitations, therefore it was right and just that they should attend the Twentieth Century Clubs reception. These ladies were the recipients of some bitter sayings by members of the Convention, especially those who were candidates for office. Mrs. J. S. Yates of Kansas City, Mo., was elected president of the Association.

During the election of officers the Convention was more like a convention of office-seeking politicians. It is the hope of all that these small differences will soon be mended and that the N. A. O. W., continue the great work they have undertaken so that when the Convention meets in St. Louis in 1902 that they will be a hundred fold stronger. All the delegates were delighted with the "Pan-Am" and Niagara Falls, all report a pleasant stay among the "Bisons."

The Convention of the Educators of Colored Youth which met last week was well attended, but the attendance was not as large as was expected. The subjects assigned to the members were handled in a masterly way, each one being a gem in itself; all branches of education was represented at this Convention. This was the fifth annual Convention, the next Convention will meet in August 1902, at Atlantic City, N. J. The officers for the ensuing year were elected quietly and peaceably; President Rev. H. T. Johnson, Camden, N. J.; Vice president, Rev. James M. Gregory,

Bordertown, N. J.; Treasurer, Rev. J. S. Caldwell, Philadelphia, Pa.; Secretary Mrs. William Stewart, Louisville, Ky. Bishop Walters, that leader of leaders, was present at the Convention, he took in the "Pan-Am" and was delighted with the exhibits. The Bishop left Buffalo for his home.

Ohioans have had their day and it was a dry, the weather was favorable, making everything appear gay, it was last week. Many great men from the "Buckeye State" were present at the dedication of the Ohio State Building. The 8th Ohio Regiment, the "President's Own" was present and made a fine showing. Governor Nash, Senators F. Baker, Hanna and Tomkins and Bishop Arnet were the speakers at the dedication of the Ohio Building. Director General W. I. Buchanan responded in a pleasing manner.

The fare has been reduced to twenty-five cents for entering the Exposition grounds on Sundays, other days it will remain as it has been, fifty cents. Great crowds of working people attend the Exposition on Sundays. The Midway is closed on Sunday.

The "Bisons" are to be entertained by the Shriners August the fifth at Lyric Hall, 610 Main street. The Shriners will doubtless make this one of the most enjoyable affairs that will happen during the "Pan-Am." All Bisons are expected to be on hand to cheer the grand Shriners.

Who said that the Shirt-waist Ball was not a success? It was a great success. During the "Pan Am" the Saturday Matinee balls will go on every Saturday; the Saturday afternoon Matinee ball is a new thing, nevertheless it is grand.

Mrs. Lula Butler of Buffalo entertained a party of ladies from Chattanooga, Tenn., they were teachers visiting the Exposition. This affair was given on the 18th inst., and was grand in all its phases. Mrs. Butler is a hostess of no mean ability. Mrs. Dyer and daughter and Mr. Charles Martin of Louisville, Ky., passed through the city this week enroute home, they spent a few pleasant days in New York City. Miss Ollie Reynolds of Springfield, Ohio, is a "Pan Am" visitor this week. She is stopping at 100 Williams street and is carried away with the many sights.

Miss Alice Victoria Thomas of Howard University is visiting relatives and friends in Buffalo. This is Miss Thomas' former home, she is remembered as one of Howard's bright pupils, she will return to Washington in September to pursue her collegiate course at Howard. Many receptions have been given Miss Thomas since her arrival in the Rainbow City, she is to take in the whole "Pan-Am," Niagara Falls and some parts of Canada before leaving.

Buffalo may have the honor of entertaining the Negro Bakers, it is rumored that they will meet here; there is no reason why they should not, because everything is convenient and pleasant, especially during the "Pan-Am." Buffalo has fine accommodations for conventions; all her citizens are courteous and enterprising, they always appreciate business men, be they of whatever race. The bankers will not suffer from the heat if they come to Buffalo, it is very pleasant at this season of the year in Buffalo.
